

SONAX Professional Range

2023

SONAX®
MADE IN GERMANY

SONAX & RAMY Trading

Since 1950, SONAX has been developing and producing superior car care products in Neuburg-Donau, Germany. From compact to luxury cars, from motorsports and the tuning scene to the world of classic cars: SONAX supports all car enthusiasts and experts when it comes to the perfect appearance of vehicles. To complete its range of products, SONAX has also developed special solutions for auto workshops, machine cleaning in washing facilities, bikes and industrial vehicles.

The research department of SONAX continuously works to make great products even better. Worldwide, SONAX products are made in Germany and stand for the highest quality, always impressing with outstanding performance. Many successful tests and awards of independent institutions underline this year after year.

Today you can get SONAX in over 100 countries around the world. In the UAE, Ramy Trading has been SONAX's exclusive partner for more than 30 years, not only supplying their products to end users and professionals, but also sharing their know-how and training them on the brand's best practices.

With this partnership of over 3 decades, Ramy knows best about how to leverage the SONAX Car Care expertise to customize solutions for each individual customer.

Exterior Cleaning - Body

Yield:
500 cars

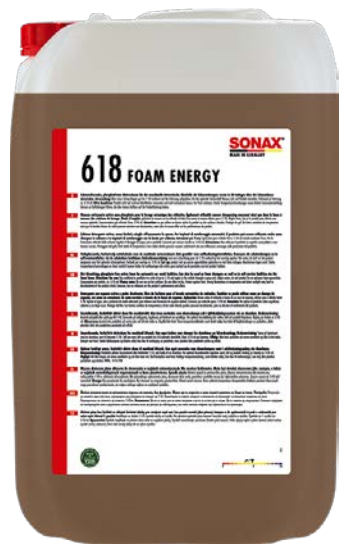

Gloss Shampoo Concentrate (25L) *Part # 522 705*

- Concentrated cleaning power for the manual vehicle wash
- Works quickly and thoroughly against typical road dirt
- Suitable for cleaning all paintwork surfaces, rubber and plastics
- Also suitable for high-pressure cleaners
- PH neutral: very easy on the paint and on the hands
- Phosphate-free
- Dilution: 1 → 200 or 50ml Gloss Shampoo + 10L water

Exterior Cleaning - Body

Active Cleaning Foam Energy (25L)

Part # 618 705

- Concentrated cleaning power for the manual vehicle wash
- Works quickly and thoroughly against typical road dirt
- Suitable for cleaning all paintwork surfaces, rubber and plastics
- Also suitable for high-pressure automatic cleaners
- PH neutral: very easy on the paint and on the hands
- Suitable for a minimum of 3,000 cars
- Dilution: 1 → 400 or 50ml Foam Shampoo + 20L Water

Car Wash Accessories

Multi Sponge (1piece)

Part # 428 000

- Particularly absorbent.
- The gray side has the softer structure and is suitable for the entire vehicle wash.
- The white side has the rougher surface and is ideal for the removal of tough soiling (e.g. insects)..

Microfiber Sponge (1 piece)

Part # 428 100

- Maxi-format sponge for particularly thorough car washes with two different microfiber sides:
- The long chenille fibers clean softly, are very absorbent and improve foam creation.
- The smooth side helps to remove tough grime

Microfiber Wash Glove (1 piece)

Part # 428 200

- For cleaning the exterior of vehicles.
- Intensive cleaning with maximum surface protection.
- Long-lived and machine washable.

Sonax Grit Guard Bucket (1 piece)

Part # 495 198

- Made from durable plastic that can withstand your daily use and abuse.
- The bucket's grit guard helps you remove possible abrasives that might harm your vehicle's surfaces.
- Equip our durable bucket with its grit guard, allowing you to capture trapped dirt.
- The cleaning accessory helps you maintain your water's purity and consistency

Exterior Cleaning - Glass

Sonax Clear Glass Cleaner (5L) *Part # 338 505*

- For removing insect soiling and road dirt from vehicle windows and headlamps.
- Removes grease films and nicotine residues from interior windows and mirrors.
- Perfectly suitable at home for cleaning windows and mirrors.
- Phosphate-free
- Ammonia free and safe on window tints

Exterior Cleaning - Tires and Rims

Tire Gloss (5L)

Part # 235 500

- Tire gloss and maintenance for all types of tires
- Restores the deep color to weathered tires and ensures a perfect shine
- Maintains the rubber and keeps it supple
- Extremely easy to apply: Simply spray on
- Lasts for several weeks
- Yield: 50-70 cars

Rim Cleaner Acid-Free (5L - also available in 25L)

Part # 230 500

- Special cleaner for stubborn dirt such as burnt-in brake dust and other road dirt
- Used on all rim types: such as steel, light-alloy, chrome-plated and polished wheel rims
- Product color changes from clear to red soon after application
- Acid free, does not affect rims, wheel nuts and bolts
- Suitable for TPMS (tire-pressure monitoring systems)
- Yield: 20-30 cars

Exterior & Interior Cleaning

SX Multistar All Purpose Cleaner (10L & 25L) *Part # 627 600*

- Powerful all-purpose cleaner for both vehicle interior and exterior
- For exterior: can be used for pre-cleaning on soiled surfaces
- For interior: can be used on all surfaces (fabric, carpet, plastic...)
- Maximum cleaning power with high material compatibility
- Nitrilotriacetic acid (NTA) free
- Interior → Dilution 1:20 or 500ml Multistar + 10L water
- Exterior and engine → Dilution: 1:10 or 500ml Multistar + 5L Water

Application areas:

- ✓ Plastic (interior, exterior, engine)
- ✓ Fabric
- ✓ Foiled surfaces
- ✓ Lacquer

Exterior Cleaning - Windscreen

Makes
2.75
liters

Windscreen Wash Concentrate 1:10 Citrus (250mL – available in 1L and 25L) *Part # 260 200*

- High-performance concentrated solution
- The 250ml bottle yields 2.75L of cleaning fluid
- Fresh with citrus fragrance
- Provides clear vision in seconds
- Removes insects, oil, soot and silicone
- Does not induce stress cracks in anti-glare headlights
- Phosphate-free

Interior Cleaning – A/C

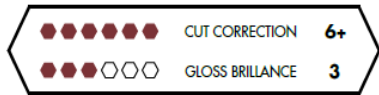

A/C Cleaner (100mL) *Part # 323 100*

- Cleans the air conditioning, ventilation systems and evaporators
- Eradicates unpleasant odors and provides a fresh fragrance
- Air hygiene with innovative anti-bacterial mode of action
- Can also be used preventively in new vehicles
- Just two applications a year provide lasting protection
- Particularly quick and easy to use

SONAX Rotary Compounds

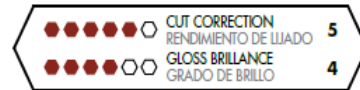

Profiline Ultimate Cut 06+ - 03 (1L)
Part # 239 300

- Extremely High effective abrasive for high process
- Removes sanding lines for P800
- Removes scratches and inclusions from refinishing paintwork or original factory paint work
- Low dust technology and silicone free

Profiline Cutmax 06 - 04 (1L)
Part # 246 300

- High effective abrasive for high process
- Removes sanding lines for P1000
- Removes scratches and inclusions from refinishing work or original factory paintwork
- Low dust technology and silicone free

Profiline FS 05 - 04 (1L)
Part # 319 300

- Medium cut effective abrasive for high process
- Removes sanding lines for P1500
- 1 Step polishing process
- Low dust technology and silicone free

SONAX Rotary 2nd Step Finishing

Profiline Perfect Finish 04 - 06 (1L)
Part # 224 300

- Special nano-abrasives allow good scratch removal with optimal gloss
- Top hologram-free result
- Low dust technology and silicone free

Profiline NP 03 - 06 (1L)
Part # 208 300

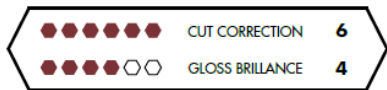

- Impressive deep shine and outstanding restoration of colors
- Top hologram-free result
- Low dust technology and silicone free

Profiline OS 02 - 06 (1L)
Part # 247 300

- One step polish with sealant (carnauba wax)
- Makes paintwork extremely smooth
- Makes paintwork dirt repellent
- Makes paintwork water repellent

SONAX Polish DA & Orbital

Profiline Cutmax 06 - 04 (1L)
Part # 246 300

- High abrasion with simultaneous minimal dullness
- Fast acting and with outstanding quality in surface finish
- Removes scratches and inclusions from refinishing work or original factory paintwork
- Low dust technology and silicone free

Profiline EXCUT 05 - 05 (1L)
Part # 245 300

- 1 Step Polish
- Powerful removal rate with simultaneous high gloss level
- Removes deep scratches as well as corrosion due to bird droppings, insects and tree sap
- Low dust technology and silicone free

Profiline EX 04 - 06 (1L)
Part # 242 300

- Impressive deep shine and outstanding restoration of colors
- Top hologram-free result
- Low dust technology and silicone free

Polishing Pads

- High service life due to the good ventilation and special cooling at the hub
- The high absorption capacity of the sponge prevents the polish from splashing
- Faster disc change due to Velcro fastening

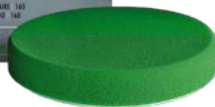

Rotary: 5 & 6 inch

Hard Pad for Cutting
Part # 493 100

Medium Pad for Finishing
Part # 493 000

Dual Action: 5 & 6 inch

Hard Pad for Cutting
Part # 493 400 & 493 441

Medium Pad for Finishing
Part # 493 341 & 493 500

Dual Action & Rotary: 3 inch

Hard Pad for Cutting
Part # 494 241

Medium Pad for Finishing
Part # 494 200

Paint Protection – Last Touch

Brilliant Shine Detailer (5L)

Part # 287 500

- Gives the paintwork a smooth and sleek surface
- Spray-on conserver and gloss enhancer for a rapid paintwork finish
- Can be used on delivery of vehicles, for dust removal in showrooms
- Can be used immediately after car wash
- Last touch after completing polishing work
- Freshens up wax finishes, enhances the depth of colors

Paint Protection - Ceramic Coating

Sufficient
for 2
complete
cars

Hybrid
long-term
sealant

Hybrid Ceramic Coating CC ONE (kit) *Part # 267 000*

- Premium, easy to apply, 1-Step Ceramic Coating
- Gives the paint an intense depth of color, a dirt-repellent soft waxy surface and an extremely smooth finish
- Flexible Si-Carbon-Technology that resists even more effectively than regular sealants
- Paint shield that lasts up to 15 months
- Quantity sufficient for 2 cars

Fabric Protection - Ceramic Coating

Fabric Coating (1L)

Part # 310 300

- Textile impregnator for the exterior and interior.
- Extremely water-repellent (contact angle $>150^\circ$)
- Refreshes colors and protects against re-soiling
- Suitable for convertible roofs, seats, tents, outdoor textiles etc
- Lasts up to 6 months
- Quantity sufficient for 2-4 cars

Paint Protection - Preparation and Maintenance

Paint Prepare (400ml)

Part # 237 300

- Prepares paintwork for application of ceramic coatings
- Special solvent compound for the effective removal of grease and oil films from paintwork surfaces
- Ideal for controlling the results of hologram-free polishing
- Degreasing before respray work

Profiline Polymer Netshield (340ml)

Part # 223 300

- Excellent polymer compound for ceramic maintenance
- Wax-free paintwork sealing providing hybrid protection
- Offers intensive restoration of colors and excellent water-repellent effects
- Adhesion of dust and dirt is reduced, thus facilitating cleaning
- For all painted surfaces, including painted metals and plastics

Maintenance and Care - Headlights

Profiline Headlight Polish (250 mL)

Part # 276 141

- Special abrasive polish for freshening up yellowed and matt plastic headlights
- Removes minor to medium scratches, restores the original clarity
- Ensures an optimum luminous efficiency
- Increases driving safety and enhances the overall appearance
- For use with a polishing machine

Profiline Headlight Coating (10 sachets)

Part # 276 541

- Long term sealant for plastic headlights previously treated with Profiline Headlight Polish
- Produces a reliable protective coating and prevents bleaching out caused by environmental effects
- Also suitable for freshening up without previous polishing
- Prevents yellowing of headlights
- Approved and tested by OSRAM

Maintenance and Care - Leather

Profiline Leather Cleaner (1L)

Part # 270 300

- Extra power cleaner
- For high quality leather furnishings made from pigmented smooth leather
- Removes even stubborn dirt without wearing out or attacking the leather
- Used with brush

Profiline Leather Protection (1L)

Part # 282 300

- Wax free leather care with UV protection for smooth leather
- Freshens up and maintains the leather's colour
- With anti-creaking additive for a supple, soft haptic
- Fast evaporating, non-greasy, with a pleasantly fresh fragrance

Textile & Leather Brush

Part # 416 741

Ergonomic cleaning brush for the dry and wet cleaning of textiles and for the thorough and gentle cleaning of smooth leather surfaces

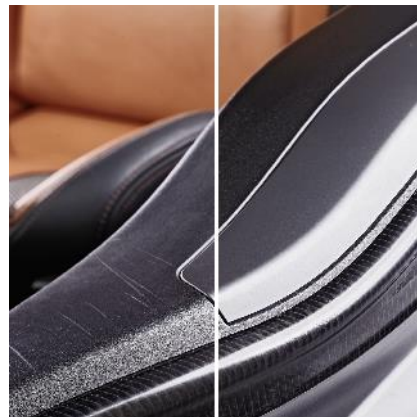

Maintenance and Care – Plastic Dressing

Plastic Care (5L)

Part # 205 500

- Plastic maintenance for the valeting professional
- Freshens up colors, provides an optimal shine
- Conserves all plastics in the vehicle interior and exterior
- Non oily & non sticky finish
- Solvent free, easiest to apply after the engine wash
- Glossy Finish: ready to use
- Matt Finish Dilution: 1L Plastic Care + 2L Water

Accessories

Pump Vaporiser for Acidic/Alkaline Products

Part # 496 941

- Sturdy spray bottle for easy application of acid and alkali-based cleaning and care products.
- With adjustable spray nozzle.
- Volume 1.25 l.

Spray Bottle (600 ml)

Part # 499 700

- Universal refillable spray bottle.
- With fill level display and mixing ratio
- Contents: 600 ml

Intensive Cleaning Brush

Part # 491 700

- Robust brush with hard-wearing bristles for intensive processing of soiled textiles such as seats, carpets and boot mats.
- Also suitable for manual support in plastic cleaning.

Foam Sprayer (250mL)

Part # 496 141

- Creates a voluminous, long-lasting foam which will not saturate absorbent surfaces with water.
- Can be used in the interior with Leather Cleaner foam, All purpose cleaner and Interior Cleaner.

More great products

Plastic Restorer Gel Exterior (250ml)

Part # 210 141

- Color of the treated surfaces is intensely refreshed
- Penetrates deep into the grained, structured surfaces, offering lasting protection and long term conservation.
- Also ideal for tires and rubber parts.
- Transparent, so can be used on any color.

Metal Polish (75ml)

Part # 204 000

- Intensive cleaning and mirror finish
- Optimum maintenance for all metal surfaces (chrome, stainless steel, copper..)
- NSF certification (A7)

Glass Polish (250mL)

Part # 273 141

- Removes slight scratches, dull and eroded spots from vehicle windscreens and side windows made from real glass
- Chemical-mechanical polishing with Ceroxid
- Silicone free

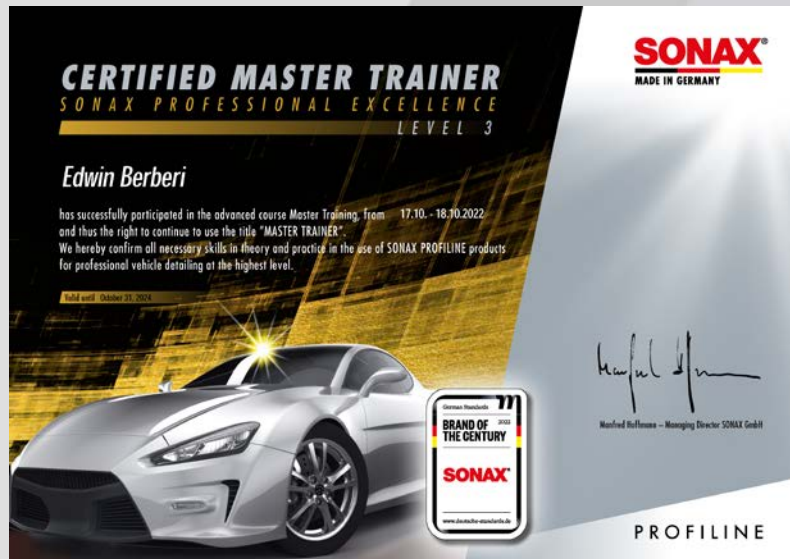

Chrome & Alupaste (75mL)

Part # 308 000

- Care agent containing polish for aluminum and trim metals such as copper, brass and chrome
- Removes rust and blind spots quickly and thoroughly, dissolves dirt and corrosion
- Restores the original shine and leaves a protective film
